**Hour(s):** Full time - 37 Hours per week

As our receptionist at our Headquarters, you will create the long lasting first and last impression of our organisation to visitors at the Headquarters of our charitable organisation which is home to our Business Support Functions and Wellbeing services.

For this role we are looking for great communication skills and pride in delivering a high quality experience for visitors and staff to our offices as you will join us in working hard to inspire people to choose healthier, more active and creative lifestyles.

A passion for providing an inspirational customer experience through listening to our customers’ needs and providing personalised solutions for everyone are essential.

No two days are the same as through this role you will deal with a variety of people requiring a wide range of advice and guidance. From booking meeting rooms to providing advice on our services, welcoming visitors to providing hospitality, this role certainly has it all as you are the ‘go to’ person for all things Headquarters.

You will take ownership of our reception and meeting rooms and take pride in ensuring only the highest standards are delivered.

The position also involves day to day clerical and administrative tasks and candidates must have demonstrable experience of working with a range of IT systems including Microsoft Office based products.  [Click here for further information](#)

Wellbeing Inclusion Instructor – Cannock Chase Leisure Centre

Salary: £18,034 - £20,097 per annum  
Hours: 37 Hours per week The hours are in accordance with the needs and demands of the Service according to the season. Evening and weekend work is part of the requirements of the post.  
Closing Date: 6th September 2019

A fantastic opportunity has arisen for a full time Inclusion Instructor to join the Cannock Chase Wellbeing team. The role predominantly focuses on providing our disability and inclusive offer to enable people who need additional support and assistance to access and experience physical activity, sport and wellbeing opportunities to lead an active, creative and healthy lifestyle. People requiring this support represent a variety of ages and needs, including those with behavioural or emotional and mental health needs, learning and/or physical disabilities or differences.

As and when appropriate it may also include supporting the team to enable people with language barriers, or specific at risk groups, such as young people at risk of offending, who need extra support to access the wider mainstream opportunities to improve their quality or outlook on life.

The successful candidate will very much collaborate across the whole Wellbeing team and together will identify gaps in provision, develop ideas and with support, implement new concepts, such as a new Rebound Therapy offer and Inclusive Cycling. They will also deliver existing activities within our leisure centres and out and about in partner community settings, working together with a range of partners from Special Educational Needs schools to land managers, including:

- Leading /co-ordinating activity sessions such as; Walking / Multi Sports / Gardening / Arts and Crafts
- Chase Active – Supporting our two leisure centres and other facilities to deliver disability sessions, which includes communicating with carers, risk management, assisting with set up and leading activities.
- Support individuals to access our Activity Referral programme and its range of activity choices.
- Chase Fit – [www.chasefit.co.uk](http://www.chasefit.co.uk) accessible sessions.
- Be a known point of contact for our disability/inclusive offer by attending events / outreach marketing where appropriate and be a voice on behalf of this community to ensure accessibility.
- Seasonal support given to our Chase It programme

Please note the successful candidate will not be required to deliver every session and as a result of which will not require qualifications in all of the activities listed. The programme is supplemented by the wider Inspiring healthy lifestyles team along with a number of volunteers.

The job will require the delivery of regular evening activity sessions and frequent weekend sessions, but hours are developed with the employee and client base to aid a balanced work/home life suitable for both.
