What the symbols mean:

Registration sites

These are the C Card sites where you can register for a C Card for the first time. You also need to go to one of these sites if you need a replacement card. You can pick up condoms here too.

Distribution sites

C Card sites that have this symbol can only give condoms to young people with a C Card. If you do not have a C Card yet you need to go and see someone at one of the registration sites.

Sites with this symbol also do Chlamydia and Gonorrhoea urine tests as part of the RUClear programme

Sites with this symbol also supply free emergency hormonal contraception (sometimes called the morning after pill)
